5% District Grants

Each district of Kiwanis International will be eligible to receive a grant equal to 5% of *qualified* gifts received by the Kiwanis International Foundation from both individuals and clubs within a district from October 1 through September 30. These grants to the districts are to be used to support the district's donor recognition activities at one major conference annually and/or provide scholarships. (Recognition opportunities include a reception at the district convention or midyear conference, publishing of an honors booklet, creating a website page for recognition and more.)
