Kiwanis International Foundation

President's Challenge

Recognition criteria for 2013–2014

The 2013-14 Kiwanis International Foundation President's Challenge encourages and rewards the individual work of Kiwanis governors, lieutenant governors and foundation district chairs with regard to our foundation's annual fund. Through the annual fund, unrestricted gifts support the Kiwanis International Foundation's operations and programs.

The Challenge	Criteria
Challenge to Governors	The Kiwanis International Foundation president encourages governors to be beacons of leadership and support within the Kiwanis family—**by increasing the district's cumulative giving (from individuals, clubs, and other entities) to the annual fund by 10%** (based on an average of the previous three administrative years). The district total must reach a minimum of US$2,000.
Challenge to Lieutenant Governors	The president challenges lieutenant governors to be our foundation advocates and to actively promote the foundation within your division—**by achieving a minimum of US$5.25 per capita for combined giving of individuals, clubs and other entities of the division** to the annual fund. The division's combined total must reach a minimum of US$750.
Challenge to Kiwanis International Foundation District Chairs	District chairs are our foundation's leaders in the field and must uphold many standards. The Kiwanis International Foundation president challenges district chairs to meet and exceed the accomplishments of both division and district leadership—**by increasing the district's cumulative giving (from individuals, clubs, and other entities) to the annual fund by 10%** (based on an average of the previous three administrative years). The district total must reach a minimum of US$2,000.

Recognition

An individual who meets or exceeds the President's Challenge as it pertains to their position will be presented with:

- The 2013–14 Kiwanis International Foundation Honors Crystal.
- An invitation to attend (with one guest) a private reception at the Kiwanis International convention in 2015.
- A personal gift of appreciation from the Kiwanis International Foundation president.

The annual fund does not include planned gifts, gifts to The Eliminate Project, the disaster fund or any other restricted gifts. If there are any questions about the President's Challenge, contact the alumni and annual fund administrator, Jereme Grinslade, at jgrinslade@kiwanis.org or at 1-800-KIWANIS, ext. 157.
