Grant Making

Once a DAF account has been established and funds total at least $25,000 you may recommend grants to qualified charitable organizations. 60% is to be granted to Kiwanis causes and the remaining 40% of grantable dollars can be made to other 501(c)3 organizations. Please be aware that the Kiwanis International Foundation cannot honor any recommendations that satisfy an existing pledge you have made. Additionally, you may not directly or indirectly receive goods or services, including memberships, tickets to fundraisers or other benefits, in exchange for a grant made by the DAF. The Kiwanis International Foundation may require confirmation from grant recipients that all grants are used exclusively for charitable purposes. The Kiwanis International Foundation retains the rights to approve, reject or modify all grant recommendations.

Successor Election

Group DAF accounts are intended to continue in perpetuity and therefore cannot designate a successor. If a Group DAF account is terminated, the Kiwanis International Foundation will liquidate the remaining shares in the account and distribute the proceeds to the Kiwanis International Foundation's Permanent Fund.

Before your DAF account can be established, you must read and acknowledge the following:

I acknowledge that the Kiwanis International Foundation will receive a 1% annual fee for managing the DAF account. I acknowledge that any contribution, once accepted, is an irrevocable gift to the Kiwanis International Foundation Donor Advised Fund. I hereby certify that, to the best of my knowledge, all information presented in connection with this application is accurate, and I will promptly notify the Kiwanis International Foundation Donor Advised Fund of any changes. I acknowledge the privacy policy can be found online. I acknowledge that the Kiwanis International Foundation has final authority in all investment and grant making decisions.
