Kiwanis®
International Foundation
Serving the Children of the World™

2010–2011 Sustaining Donor Honor Roll

With gifts to the Kiwanis Children's Fund, donors support Kiwanis International Foundation grants that help the Kiwanis family serve children and families across the United States and around the world. The Sustaining Donor program benefits the Kiwanis Children's Fund and recognizes individuals who support the Foundation by making annual gifts. Individuals who join the Sustaining Donor program with an annual gift of US$100 or more receive special recognition. The Kiwanis International Foundation expresses its sincere appreciation to the individual donors who make a difference for children each year.

Sustaining Donors

These individuals gave US$250 or more to the Sustaining Donor program between October 1, 2010, and September 30, 2011.
