Membership recognition

The Formula recognition program honors Kiwanians for strengthening, opening and helping Kiwanis clubs increase membership between October 1, 2013 and September 30, 2018. It's also a way for them to show what they've done—and maybe even to inspire others. After all, sharing what we love about Kiwanis is how we ensure that our clubs continue to make a difference in our communities ... and perpetuate Kiwanis service into its second century of service. Learn more about the program by visiting www.kiwanis.org/formularecognition.

Legion of Honor

The Legion of Honor program is a way your club and Kiwanis International can recognize club members who have accumulated a total of 25 or more years (not necessarily without interruption) of membership in one or more Kiwanis clubs.

Even a club organized within the past 25 years may have a member entitled to Legion of Honor recognition because of membership before joining the present club.

Appropriate Legion of Honor lapel pin and/or certificates may be ordered from the Kiwanis Family Store catalog. These specify either "25 years" or some other multiple of five greater than 25—30, 35, 40, etc. Recognize Legion of Honor members in the same way each time an additional five years of service is accumulated.

Kiwanis International Foundation awards

You and your club can extend your Kiwanis impact and earn recognition by supporting the Kiwanis International Foundation. Refer to page 114 to learn more about recognition programs offered by the Kiwanis International Foundation. You can also learn more at www.kiwanis.org/foundation.

Insurance

The Kiwanis International Comprehensive General Liability Insurance Program provides legal liability insurance for clubs, members and Service Leadership Program organizations when they become legally obligated to pay damages to third parties for bodily injury or property damage associated with a Kiwanis-family-sponsored function or activity.

This insurance covers clubs in the United States, Canada and the Caribbean. Clubs pay per member for this coverage, which is submitted with the payment of Kiwanis International dues. Clubs are authorized to allocate from revenue of fundraising projects, as an expense, all premium charges.

The provisions of the policy apply to most normal liability exposures of Kiwanis clubs. As with most insurance policies, there are exclusions, limitations and restrictions. For a list of these exclusions, see the Club Insurance Resource Guide. Kiwanis International strongly urges its member clubs not to conduct events that would involve: (1) the use or operation of a mechanical amusement device or ride owned or operated by a Kiwanis club or Kiwanis club member, or (2) the detonation of fireworks or explosive devices detonated directly by a Kiwanis club, Kiwanis club member or other named insured. This is a legal liability policy, and it does not provide medical payment benefits or any other voluntary payment coverages. However, Kiwanis International provides medical payment coverage on a self-insured basis.

More information is contained in the Club Insurance Resource Guide, which is sent to your club secretary annually. Or find it at www.KiwanisOne.org/liability.

Owners of premises and other facilities used by Kiwanis may be included as additional insureds with respect to their liability for the Kiwanis use of their property. When required, Certificates of Insurance will be issued in their favor upon request. Contact Hylant at kiwaniscert@hylant.com or at 301 Pennsylvania Parkway, Suite 201, Indianapolis, IN 46268-1396, USA, 800-678-0361 (U.S. and Canada) or +1-317-817-5000 (worldwide).

Kiwanis International's liability limit of US\$1 million for each occurrence is provided by the primary policy. Additional limits of umbrella coverages are provided in amounts that vary depending on market pricing and availability. This summary contains only some of the principle provisions of this insurance and is not to be considered a contract of insurance.

Branding and public awareness

Your club is part of something big—a global organization with clubs in more than 80 countries—and a global brand that every Kiwanis club and every Kiwanis member shares. When you're promoting your club in your community, be sure you're using the most current Kiwanis International branding. That way everything you do will also support your fellow Kiwanians and their clubs around the world. The more we share our brand, the more we can do for children in our own communities and around the world.

You can find resources to support your club's public awareness efforts at www.KiwanisOne.org/awareness. Download logos at www.kiwanis.org/logos and our latest brand guide at www.kiwanis.org/brandguide.

Club publications

Club newsletter

Newsletters keep club members in touch and can improve member engagement. You can deliver your club newsletter in several ways—online on a website, via email or in print form.

In some clubs, the secretary prepares the club newsletter. In others, a member appointed by the president as newsletter editor prepares it. Look for newsletter resources at www.kiwanis.org.

Here are some factors to consider.

BRANDING

Be sure your newsletter includes the latest Kiwanis International branding. Find logos at www.kiwanis.org/logos and a brand guide at www.kiwanis.org/brandguide.

SCHEDULING

A good newsletter reaches all members in advance of the meeting for which it is prepared. Start with a simple schedule based on your meeting schedules.

CONTENT

Consider these ideas for your publication:

- Announcements of upcoming service initiatives, club meeting programs and other activities
- Tips on leadership, service and club management
- Reports on committee and club achievements and recognition of individual achievements
- Stories about the Service Leadership Programs your club sponsors (Kiwanis Kids—including K-Kids, BUG and Terrific Kids—Builders Club, Key Club, Key Leader, CKI or Aktion Club)
- Information on upcoming division, district and Kiwanis International activities (publicity at the club level adds greatly to their success)
- Information on official action by the board of directors or the club
- A brief report on the past week's meeting
- Official calls of meetings at which members will be asked to vote and the wording of any proposed bylaw amendment or resolution
- Relevant community news and events
- Biographical sketches of new members
- A reminder to members to bring guests
- Items of general interest about individual members—for example, a promotion, marriage, retirement, award, or a new child or grandchild

Club websites

More clubs are using a club website to get their message out and attract attention.

Currently more than 600 Kiwanis clubs use the Club Management System, which includes club website hosting and simple tools for creating your club website. The system offers a model site that is completely user-friendly and branded according to Kiwanis guidelines. Find out how to create or enhance your club website at www.KiwanisOne.org/webtools.

Service Leadership Programs overview

Kiwanis has been sponsoring youth programs since the first Key Club was chartered in 1925. Since then, other programs have been added—including Aktion Club for adults with disabilities—and each has enjoyed membership success. Around the world, these Service Leadership Programs (or SLPs) have become core projects of sponsoring Kiwanis clubs. Each SLP belongs to one of two categories: service clubs or programs/initiatives.

Service clubs

AKTION CLUB

Established: 1987

Mission: Aktion Club provides adults living with disabilities with an opportunity to develop initiative, to learn leadership skills and to serve their communities.

Members: Adults (18 and older) who have a disability

Statistics: 12,000 members, 490 clubs, 8 nations

Website: www.aktionclub.org

Notes: Since this is a club for adults with disabilities, be careful not to identify all SLPs collectively as “youth programs.” Aktion Club has seen membership success in 10 years.

CIRCLE K INTERNATIONAL (CKI)

Established: 1936

Mission: CKI is an international student-led organization seeking to develop college and university students into a global network of responsible citizens and leaders with a lifelong commitment to service.

Members: Students enrolled at an institution of higher education

Statistics: 13,500 members, 450 clubs, 19 nations

Website: www.circlek.org

Note: CKI is governed by a student board comprised of current members.

KEY CLUB

Established: 1925

Mission: Key Club is an international student-led organization providing its members with opportunities to perform service, build character and develop leadership.

Members: High school students age 14–18

Statistics: 270,000 members, 5,000 clubs, 31 nations

Website: www.keyclub.org

Notes: Key Club has seen a progressive increase in membership for many years. Like CKI, Key Club is governed by a student board of current members.

BUILDERS CLUB

Established: 1975

Mission: Builders Club is an international student-led organization providing members with opportunities to perform service, build character and develop leadership.

Members: Middle school students age 11–14

Statistics: 46,000 members (estimated), 1,500 clubs, 18 nations

Website: www.buildersclub.org

Notes: Builders Club has also seen an increase in membership in the last few years. Currently, Kiwanis tracks the number of clubs worldwide, with corresponding estimates of membership numbers.

K-KIDS

Established: 1990

Mission: K-Kids is an international student-led organization providing members with opportunities to perform service, build character and develop leadership.

Members: Elementary school students age 6–12

Statistics: 37,000 members (estimated), 1,200 clubs, 8 nations

Website: www.kiwaniskids.org

Notes: As with Builders Club, Kiwanis tracks the number of clubs worldwide, with corresponding estimates of membership numbers.

Programs/initiatives

KEY LEADER

Key Leader is a weekend experiential leadership program for students age 14–18. The curriculum focuses on “service leadership” and has modules on five major principles: integrity, personal growth, respect, community and pursuit of excellence. The weekend experience includes full group sessions led by a trained lead facilitator and small discussion groups called “neighborhoods.” A challenge course of team-building activities is also a featured component. Since 2005, there have been more than 21,000 graduates around the world. A team of Kiwanis volunteers from the district coordinates marketing and on-site logistics and generates financial support for students to attend. That team is led by a district chairman and site coordinator (for each event) appointed by the district governor.

KEY CLUB INTERNATIONAL ALUMNI AND CIRCLE K INTERNATIONAL ALUMNI

Alumni outreach initiatives started in 2010. The purpose is to identify and retain former Key Club and CKI members and engage them in the continuing work of Kiwanis International. This engagement could include any or all of the following:

- Be encouraged to continue to live the objects of Key Club and/or Circle K in their daily lives.
- Support and expand Kiwanis Service Leadership Programs through advocacy, advising, and/or club opening.
- Take the next step in their service club journey by joining or forming a Kiwanis club.
- Contribute financially to Kiwanis International and its foundation.

Alumni who opt in to the program, and who currently are not Kiwanis members, are considered Associate Members of Kiwanis International.

TERRIFIC KIDS

Terrific Kids is a student-recognition program that promotes character development, self-esteem and perseverance. "Terrific" is an acronym for Thoughtful, Enthusiastic, Respectful, Responsible, Inclusive, Friendly, Inquisitive and Capable. Students work with the classroom teacher to establish goals to improve behavior, peer relationships, attendance or school work. All students who achieve their goals after a specified time are recognized as Terrific Kids. Recognition includes receiving a pin as a Terrific Kid; a pizza, ice cream or other food-themed party; and presentation of certificates and other giveaways. Kiwanis clubs provide financial sponsorship for the program and help to plan and develop the recognition ceremony.

Website: www.kiwaniskids.org

BRING UP GRADES (BUG)

Bring Up Grades (or BUG) is designed to provide recognition to students who raise their grades into an acceptable range and then maintain or continue to raise them from one grading period to the next. Recognition includes placement on the school's BUG Honor Roll; a pizza, ice cream or other food-themed party; and presentation of certificates and buttons. Kiwanis clubs provide financial sponsorship for the program and help to plan and develop the recognition ceremony.

Kiwanis International Foundation

The foundation makes different kinds of gift opportunities available to Kiwanians—and each makes a difference in ways that would otherwise remain beyond the resources of Kiwanis clubs and districts.

TODAY. With annual gifts, donors extend their impact immediately by supporting programs and initiatives that help Kiwanians change the lives of children today. From foundation grants to scholarship programs, our foundation reaches children in communities near and far.

TOMORROW. With our Global Campaign for Children, the Kiwanis family makes a positive impact on the health and welfare of children worldwide. The campaign gift a club or person makes now will change the world tomorrow. Currently Kiwanis has joined forces with UNICEF through 2015 for The Eliminate Project: Kiwanis eliminating maternal and neonatal tetanus. Our goal is to raise US\$110 million—helping the Kiwanis family save or protect 61 million mothers and babies. It's a monumental effort . . . to protect one of the most intimate bonds on Earth.

FOREVER. With a planned gift to our foundation, a donor can change children's lives even beyond his or her own lifetime. A donor's estate doesn't have to be large to make a difference. The Kiwanis International Foundation can help people explore gifts that make sense for their circumstances—and make kindness a part of their legacy.

Impact and programs

You can help make the future better for children around the world and for members of Kiwanis' youth programs. That's what makes the Kiwanis International Foundation special. Every gift brings a change to a child's life—and every changed life is a measure of your success.

GRANTS

Twice each year, the Kiwanis International Foundation Board of Trustees reviews grant applications from Kiwanis clubs and districts. The board selects the ones to which our foundation will grant financial assistance, helping fund projects and events that those clubs and districts couldn't afford to support on their own. In addition, matching grants are available for district foundations.

A donor's generosity also supports our foundation's grants for Kiwanis Service Leadership Programs. These programs' members belong to the Kiwanis family—including the 37,000 members of K-Kids (age 6–12), the 267,000 members of Key Club International (the oldest and largest service organization for teens) and many others. When the foundation receives a gift, a donor helps Kiwanis-family members of all ages build leadership skills and experience the joy of service.

RECOGNITION

Generosity is an important part of donors' lives. That's why recognizing their kindness is important to us. In fact, the Kiwanis International Foundation celebrates gifts in several ways. With each gift, we extend your Kiwanis impact . . . and our deepest thanks.

THE HERITAGE SOCIETY

Mark your membership in the Heritage Society when you make a documented planned gift of US\$10,000 or more.

MARY AND BO SCHAFFER LEGACY SOCIETY

Membership is our foundation's way of recognizing a documented planned gift of US\$50,000 or more.

FOUNDERS CIRCLE

When your cumulative gifts as an individual or a couple amount to US\$25,000 or more, you receive membership in the Founders Circle. Honorees may opt instead for the Founders Circle eagle.

GEORGE F. HIXSON FELLOWSHIP

Individuals, Kiwanis clubs, divisions and districts establish an individual's membership through a US\$1,000 contribution. Progressive recognition for further Hixson Fellowship giving is also available.

KIWANIS LEADERSHIP SOCIETY

When you make a gift of US\$250 or more, our foundation recognizes your leadership—making you a member of the Kiwanis Leadership Society. Clubs or individuals can also give US\$250 or more to recognize another person.

TABLET OF HONOR

You can recognize extraordinary people with a gift of US\$2,000 or more, made in the name of an individual, couple or group.

More recognition information can be found at www.kiwanis.org/foundation.

Kiwanis International's governing documents

Kiwanis International's governing documents guide Kiwanis leaders at the club, division and district levels. They include the Kiwanis International Bylaws, Kiwanis International Board Policies and Procedures, the Standard Form for District Bylaws and the Standard Form for Club Bylaws.

The Kiwanis International Bylaws can only be amended by the House of Delegates at the Kiwanis International convention (though some provisions can be amended at a meeting of the Kiwanis International council). The Kiwanis International board can revise Policies and Procedures at any time. The Standard Forms for Club Bylaws and District Bylaws are generally revised only in accordance with amendments to the Kiwanis International Bylaws, though the board can revise them at anytime, if deemed necessary.

The most current version of each document is available at www.kiwanis.org.
