Give the Gift of Literacy All Year Long!

Join Literacy Partnerships for free!

Literacy is the foundation for success in school, in our careers, and in life—and research shows that access to books at home is a key contributor to helping students thrive in the classroom and beyond.

We share a common goal with Kiwanis—to create opportunities for children to be curious, safe, and healthy regardless of where they live. Let Literacy Partnerships work with you to place the gift of literacy into the hands of the children in your community. Together, we can change the world by serving children and families, one child at a time!
