WHAT AND WHO DOES YOUR CLUB NEED?

The strongest Kiwanis clubs have a mix of skills, personalities and experiences. After all, you need different kinds of people to do everything well.

Does your club have an expert? The expert provides a base of knowledge on your project's subject matter, whether it comes from personal experience or extensive research on the needs of kids in the community.

What kind of expertise could enhance what your club does well?
Discuss the question with your club then identify experts in the

community. Use the [Two For Two Workbook](#) to help guide the conversation and strengthen club membership in ways that improve your service to kids who need Kiwanis. [Click here if you need a new workbook sent to you.](#)

P.S. This email is sent to the club president, president-elect, secretary, membership chair and lieutenant governor.

GROW YOUR MEMBERSHIP AND WIN

The Kiwanis Club of The Garden Parish, Ocho Rios, Jamaica, is growing its membership and earning rewards. The club just won a US\$200 gift card to the Kiwanis Family store because two members invited two prospects to join their club.

Clubs that try using "Two For Two" will be entered into a monthly drawing for a US\$200 gift card to the Kiwanis Family Store. [Fill out this entry form](#) by listing the name and contact information for the prospects who members are meeting. The drawing will be held on the 20th of each month.
