Even as we celebrate a rich history of service and fellowship, we must plan to ensure that Kiwanis—and most important, the children and communities we serve—flourish long into the future.

**WHAT IS A STRATEGIC PLAN?**

Think of a strategic plan as an organization’s road map: You can choose the roads you want to take, but the strategic plan ensures you reach your destination—your goals.

Kiwanis International’s strategic plan is designed for each district and club to use as a guide to create their own plans and choose their own paths toward accomplishing common goals. The plan focuses on four goal areas—or priorities—that will help clubs, districts and our overall organization thrive for years to come as a positive force for good in the world.

**MEMBERSHIP & ENGAGEMENT**

**GOAL:** To build, retain and support a growing Kiwanis membership network

Kiwanis inspires and engages men, women, youth, corporations, other nonprofits, partners and communities to make the world a better place for children to thrive. Belonging to Kiwanis means being part of a massive force for positive change in the world.

**STRATEGY:**
- Increase membership
- Open clubs
- Develop leaders
- Focus on service to invite new members, strengthen clubs and open clubs
- Build a strong network of local and global partners

**COMMUNITY IMPACT**

**GOAL:** To perform meaningful service, with service to children as our priority

Kiwanis is best expressed through meaningful service in communities around the world. When we work together and with other organizations to address important needs for children, we change lives, build stronger communities and even improve our own lives.

**STRATEGY:**
- Empower and support growth in our Service Leadership Programs
- Align relevant service with community needs
- Encourage the development of a signature project in each club
- Encourage hands-on service projects
OUR KIWANIS IMAGE

GOAL: To enhance the Kiwanis image worldwide
Kiwanians are the most effective “advertisements” for Kiwanis. We represent our image in living color, wear our brand and share our message with the world. That’s why it’s important for our many Kiwanis voices to “sing from the same songbook” when it comes to brand guidelines and messaging. That’s also why it’s important to empower members and clubs worldwide with the training and tools they need to share Kiwanis’ story as one, unified voice.

STRATEGY:
• Increase name recognition worldwide
• Increase knowledge of our mission, both internally and externally
• Unify all Kiwanis brands
• Promote the Kiwanis vision and vivid description as supported by The Objects of Kiwanis
• Promote signature projects

FINANCIAL VIABILITY

GOAL: To ensure financial viability and responsible stewardship
Kiwanis does amazing work in the world. When we make wise financial investments, find opportunities to turn profits into service, pool our financial and volunteer resources, create efficient structures and make processes easy and affordable, we can build our capacity to do even more for the children of the world.

STRATEGY:
• Exercise proper stewardship of resources
• Build a non-dues revenue base
• Simplify the organizational dues structure and processes
• Develop financial education
• Build the Kiwanis Children’s Fund

OUR DEFINING STATEMENT

Kiwanis is a global organization of volunteers dedicated to improving the world one child and one community at a time.

How do you talk about Kiwanis? Our defining statement is the right place to start. The words were carefully chosen, because they explain exactly what Kiwanis is and what Kiwanians do around the world. Every day, Kiwanians serve their local communities and communities far from home. We are dedicated, and we give generously of our time and resources to help children. We make communities stronger by connecting many people and organizations together for a greater good.

Those 20 words open the door to a deeper conversation. About what your club does in your town or across the globe. About what Kiwanis means to you. It’s a conversation that opens the door to four more important words, “Won’t you join me?”
