21:07:18 From Kevin,	They should be
21:07:36 From Kevin,	Though only board members can vote in most cases
21:07:38 From Greg Smith,	I thought so too until I found out what I said. It's up to each club.

21:08:04 From Gary B,	Board meeting being open to all members doesn't mean they have a voice and definitely doesn't mean they have a vote.
21:08:13 From Mary Sepe,	Can non-Board members request an item to be placed on the agenda?
21:08:21 From Pam Henderson, Alta Iowa City Council,	Does Kiwanis not have to follow open meetings law?
21:08:35 From Faye,	I would love to hear how some of you welcome new members. Do you give them a Kiwanis membership directory? Do you give them Kiwanis shirt or gear of any kind? How do you celebrate new members?
21:08:49 From tim,	Do all districts have president and secretary training and then have to do k-I training.?
21:09:17 From Robert Uzenoff,	We give a Kiwanis lapel pin, Kiwanis navy cap, and gold. name badge,
21:09:22 From Kathleen ARCpoint Labs The Woodlands,	We give new members a coffee mug, name badge, hat and pin.
21:10:52 From mhipp,	I'm thinking retention swag. At this point I have a couple of members I'm hoping will decide to stay as we reinvent our club.
21:11:07 From Greg Smith,	I would say that non-board members can place an item on the agenda as long as the president approves.
21:12:48 From Kim Pho - Kiwanis International,	@Dwayne - we will make a copy of the PPT available to everyone that attends.
21:12:59 From Nina McCaulley,	What do you guys think of zoom meetings combo with in person meetings
21:13:16 From Heidi,	That's what we do Nina
21:13:35 From Marsha Kozmor-President of KCGG,	We do that for our club. It has really helped with attendance.
21:13:42 From Tara Jernigan,	We do hybrid meetings and it works well
21:13:48 From Heidi,	Virtual helps our younger members who have children. I have greater attendance most times at virtual meetings
21:13:54 From Nina McCaulley,	Awesome, some are not into it, I like it myself
21:14:00 From Kathleen ARCpoint Labs The Woodlands,	Nina, I think you have to have excellent technology to make a hybrid meeting work well for everyone. We tried it and didn't have good technology for in person folks to be able to see the Zoom folks or hear each other well.
21:15:46 From jeffreymerson,	In our Kiwanis division, we had a person join a club at the young age of 92, who fought in the Battle of the Bulge, in World War II. Kiwanis is open to all!!!!
21:16:02 From Joy Galo -KCD8th,	Good day! I invited non members to participate in our activity or in our signature project to show to them how kiwanis works. And do invited fellow colleagues to sustain projects.
21:16:04 From Robin Stern,	https://www.kiwanis.org/docs/default-source/membership/two-for-two/two-for-two-workbook
21:17:37 From jeffreymerson,	Your Kiwanis Club should join your local Chamber of Commerce.
21:19:17 From Jeff Graham - Statesboro, Ga. - REMAX,	If you're club is going to join the Chamber you need to make sure someone in your club will utilize the opportunity to get involved.
21:19:27 From Vanessa McClary,	Very true! We joined when chartered 16 years ago - still members!
21:19:32 From Martha Baylon,	A lot of the time the cost of the membership is out of reach for some. How can we motivate to become a member when they can participate in SP's without being a member?
21:20:17 From Kevin's iPhone,	Part of Kiwanis Objects. To build better Business ..
21:20:30 From jeffreymerson,	Invite your local Toastmasters International club to be a guest speaker at you club meeting.
21:20:40 From Jeff Graham - Statesboro, Ga. - REMAX,	How does that work? Is anyone from the club allowed to attend?
21:20:58 From Julia Choi,	Here is a link to the Kiwanis website youth protection page: https://bit.ly/3vLdOTS
21:21:00 From mhipp,	I'm going to try to get some sponsorships. Not sure if having a foundation will help, but I hope it would be tax deductible if a corporate sponsor were to pay for a member who can't afford it.
21:21:05 From Greg Smith,	Great idea. More Kiwanians can work on their speaking abilities.
21:21:22 From Misty Simco,	powerpoint doesn't seem to be working properly
21:22:00 From Vanessa McClary,	How does that work? Is anyone from the club allowed to attend? (Chamber - yes)
21:22:09 From Kim Pho - Kiwanis International,	Misty - you should see a Youth Protection slide - the link is here - https://bit.ly/3vLdOTS
21:22:21 From Bob Flynn,	What is the reasoning behind having teachers do a separate background check?
21:22:31 From Robert Barnwell Berkeley,	We had a program where we invited graduating seniors of the Circle K Club at Cal Berkeley to join the Kiwanis Club of Berkeley. International has a program where the dues are waived for members graduating from an SLP org.
21:22:36 From Patty Casey,	The Faculty Advisors need KI background checks???

21:23:20 From John Davis,	So the school background check is not as good as the Kiwanis check--I am a teacher--I doubt it
21:23:34 From Vanessa McClary,	Is that new?
21:23:36 From Amy Hoffman,	I will ask this question forever and probably not be satisfied with the answer: The KI check is so much LESS detailed and comprehensive than the checks required by the schools and child care centers in our state. It makes it appear that Kiwanis doesn't care
21:24:06 From Kevin's iPhone,	Can you show how this is handled out side of USA???
21:24:07 From Liz Paul,	Our club passed a by-law requiring background checks for all kid facing service opportunities
21:24:07 From Ronald Hyre,	well.. the other aspect is - legally - Kiwanis can't see the results of any background check outside of Kiwanis. Therefore Kiwanis still needs their own background check performed.
21:24:12 From Garry Lowenthal,	The Youth Protection Training is important. The BSA has beefed up its YPT, and members need to take the training. Especially, when youth are involved (i.e. Key Club). It helps protect KI from liability if something does happen. It shows we did our due diligence to make sure they were safe to be around the children, even if someone else did a different background check.
21:24:34 From Kevin,	
21:24:39 From Paula Stokes,	Do you have to have the background check to attend K-Kids meeting as a helper?
21:24:47 From Gary B,	Many school district background checks are investigated only at the state level, where KI is national in scope
21:24:49 From Beverly and Ian,	what about in other countries?
21:27:23 From George Elkins,	Faculty advisor now required KI background check ? Where is that in writing from KI specifically?
21:27:44 From Beverly and Ian,	is this an USA thing only?
21:28:19 From Patty Casey,	So the faculty advisor who only attends on-campus meetings does NOT need KI background check
21:28:22 From Julia Choi,	George, there's information on faculty advisor checks here: https://www.kiwanis.org/clubs/member-resources/training/risk-management/background-checks
21:31:11 From LON SALGREN,	Best wishes to you in your new role as Club President. Have a great year!
21:31:23 From terry reinbold - Pres. Elect Greater Anaheim,	Will the recording have all the chat comments too? Too many good ideas there to copy in time?!

21:32:01 From Kathleen ARCpoint Labs The Woodlands,	You can save the chat by clicking on the 3 dots just above the message box and save it to a notepad or Word document
