TELL US WHAT YOU THINK

The March issue of Kiwanis magazine is here — and yes, it's digital only!

We're in the middle of a pandemic and supply-chain issues continue. Paper is scarce. Shipping is slower than usual. Costs for production continue to increase. And all of this directly affects what we can do within our current publications budget.

So we decided to take this as an opportunity to test a digital-only issue. Hey, it's a first for Kiwanis. And you're part of it!

In fact, you'll find a survey within the digital issue. We encourage you to let us know what you think.

We will continue to keep our members updated on the status of the print edition of the magazine.

Follow us on social media and share Kiwanis stories with your contacts, friends and family.

Thanks for reading!
