SUPPORT SLPs

Thanks to Kiwanis Service Leadership Programs, your Kiwanis club has opportunities to create the next generation of leaders. It's one of the most important things Kiwanis clubs do. If you sponsor one or more SLP clubs, here are some ways to support those members — and spread the word.

Global Leadership Certificate

If your Kiwanis club sponsors a CKI or Key Club, make sure those members know about the Global Leadership Certificate. It's an online program for students who want to elevate their voices and meet their communities' needs.

The program offers nearly 40 courses — from building meaningful relationships to strategic and tactical leadership, civic engagement and more. Students will access the courses through the Kiwanis Connect portal and must use the email address associated with their membership. If you have questions, email them to SLPcertificate@kiwanis.org.

Key Leader

Since 2005, Key Leader has provided weekend events to help young leaders develop their leadership skills. Each Key Leader event is open to students in grades 9 through 12 (generally ages 14-18), as well as students graduating 8th grade.

The pandemic had mostly limited the program to virtual events — but in 2022, in-person events are back on the roster! For the current listing, and to register, go to key-leader.org/register.

SLP meeting kits

Kiwanis Service Leadership Programs offers meeting kits to help SLP clubs run productive meetings. Meeting kits are ready-made resources for K-Kids, Builders Club, Key Club and Aktion Club. Make sure the clubs you sponsor know about them. They offer guidance on how to run a meeting, service project ideas, icebreaker activities and more. Learn more at kiwanis.org/slp.

Culture of Care

Our student leaders are our No. 1 ally and resource in creating world-class experiences within Kiwanis Service Leadership Programs. Our Culture of Care initiative provides students with the training and resources to be their schools' leaders in preventing bullying, reducing incidences of violence, understanding healthy relationships and personal boundaries and more. 2022 SLP CONVENTIONS

Key Club and Circle K International each hold an annual convention for their respective members. If your Kiwanis club sponsors a club in either program, encourage those members to attend. Your Kiwanis club can also offer financial support for the costs of travel and attendance! Learn more at kiwanis.org/clubs/member-resources/events.
