# AAC SPEAKER CONNECTION

**USSAAC**  
THE VOICE OF AAC

***Are you looking for an amazing speaker?***

Membership meetings  
Division Council meetings  
District events

**<https://speaker.ussaac.org>**

Find a speaker who uses Augmentative & Alternative Communication [AAC] and your members will be in amazement and talking about it for months.

### **Payment Considerations**

Think about "paying" the speaker for the time it take them to write their speech [because it does take time]. You could pay them in different ways--like giving them a gift card, paying for their meal, or paying them money.

**Invite them to join too!**
