

# HOW TO MERGE TWO KIWANIS CLUBS

*Follow these eight steps when merging two clubs.*

**1. Get both clubs' agreement.**

Mergers must be approved by the club membership. See Standard Form for Club Bylaws Article 10, Bylaws and Policies.

**2. Pay any outstanding debts.**

Both clubs must be current in their obligations to both Kiwanis International and the district. Contact the finance department at Kiwanis International to resolve any debts.

**3. Complete the Club Merger Information form.**

*(See attached.)*

**4. Resolve the transfer of funds.**

The club that is retiring must dissolve its corporate status as well as its charitable foundation, if any (or amend the foundation bylaws and/or name), with the Secretary of State or appropriate governmental agency.

**5. Resolve the transfer of SLP sponsorship.**

Indicate the transfer of any sponsored SLPs to the active club on the Club Merger Information form.

**6. Get the rosters from the secretary dashboards.**

You may also request rosters from Kiwanis International. Have the new club secretary look over rosters of both clubs and edit if necessary. Delete any members who will not continue after the club merger and add any new members to the newly formed club. Turn in the updated roster with the Club Merger Information form.

**7. Change the club's name.** *(See attached.)*

**8. Return all paperwork to Member Services.**

When Kiwanis International has processed all of the information, an official club merger notification will be issued.
