

GIVE TO IMPROVE CHILDREN'S LIVES.

Your club's gift to the Kiwanis Children's Fund helps improve children's lives around the world. We support Kiwanis service projects that create a greater impact supporting kids in local communities. Last year, there were nearly double the number of requests for support and we need your help.

With these fellowship opportunities, we can honor your generosity — or *you* can honor someone's service. An outgoing club president. A retiring club member. Any Kiwanian or community member who deserves to be celebrated!

George F. Hixson Fellowship

Named for the first president of Kiwanis International, the Hixson Fellowship **honors Kiwanis clubs or members that give US\$1,000** to the Children's Fund during the Kiwanis year. With a Hixson Fellowship, your club or the recipient of your choice receive a lapel pin and optional certificate to recognize their support.

Dr. Wil Blechman Fellowship

With a **gift of US\$2,500**, your club can honor an individual for their distinguished service. Dr. Wil's legacy continues with his service as a past International president and dedication to programs that laid the foundation for past Kiwanis international campaigns.

HELP KIWANIS SERVE KIDS — AND THANK THOSE WHO HAVE DONE THE SAME.

Give by September 30, 2024, to honor someone with a George F. Hixson or a Dr. Wil Blechman Fellowship.
