

ROSTER ANALYSIS WORKSHEET

Diversity is key to a successful club.

There are several ways to make sure your club includes a diverse set of people. One proven method: Consider all the professions in your community. This list isn't exhaustive, but it can get you started. Use it as a reminder of individual people who would love to be a part of Kiwanis — and whose skills, relationships and experiences could enrich your club's impact. Then use the attached sheet to create a list of people to invite to your next service project or open house.
