SUPPORT SLPs

Thanks to Kiwanis Service Leadership Programs, your Kiwanis club has opportunities to create the next generation of leaders. It's one of the most important things Kiwanis clubs do. If you sponsor one or more SLP clubs, here are some ways to support those members — and spread the word.

Global Leadership Certificate

If your Kiwanis club sponsors a CKI or Key Club, make sure those members know about the Global Leadership Certificate — and take advantage of these online courses, which are included in their membership.

This is a series of 40 online, on-demand courses. Based on the values of fellowship, leadership and service, the GLC teaches traditional skills as well as in-demand soft skills, including effective communication, critical thinking, networking and more. Courses can be completed at an individual pace or as a club activity. The GLC doesn't just help students stand out as candidates for colleges/graduate school, trade schools or employers — it helps them become stronger leaders and changemakers now.

Students will access the courses through the Kiwanis Connect portal and must use the email address associated with their membership. If you have questions, email them to SLPcertificate@kiwanis.org.

Key Leader

Key Leader is a unique event where youth spend a weekend together building leadership skills, with a specialized curriculum focused on integrity, growth, respect, community and excellence. Through large and small group sessions led by professionals and trained peers, students have a great time learning and growing. This is open to Key Club and graduating Builders Club members, as well as non-members. Getting youth in your community involved with Key Leader is a great way to introduce more individuals to Kiwanis family programs. To find your nearest Key Leader event and register, go to key-leader.org/register.

SLP meeting kits

Kiwanis Service Leadership Programs offers meeting kits to help SLP clubs run productive meetings. Meeting kits are ready-made resources for K-Kids, Builders Club and Key Club. Make sure the clubs you sponsor know about them. They offer guidance on how to run a meeting, service project ideas, icebreaker activities and more. Learn more at kiwanis.org/slp.

Culture of Care

Our student leaders are our No. 1 resource in creating world-class experiences within Kiwanis SLPs. Our Culture of Care initiative provides students with the training and resources to be their schools' leaders in preventing bullying, reducing incidences of violence, understanding healthy relationships and personal boundaries and more.
